AI Clinical Decision Support

PRIME Clinical Intelligence Agency
35 Van Zyl Street, Hoopstad, Free State

YOUR OWN PRACTICE, FULLY SUPPORTED

Start a Clinic

We help you set up an HPCSA doctor-supervised clinic, with the equipment, training and clinical backup to open your doors with confidence.

Better prices | Better outcomes | Returning clients

THE COMPLETE PACKAGE

Training
Hands-on onboarding for you and your nursing staff on PRIME and on running the clinic day to day.

Doctor supervision of every case
An HPCSA-registered doctor reviews and signs off every consultation your clinic sees.

Automated prescriptions
Doctor-signed scripts produced straight from the consultation, ready for the patient and the pharmacy.

Automated follow-up
Patients are followed up after their visit, so they get better and come back to you.

Starter equipment kit
Everything on the list alongside, at the prices shown.
